Clinic Policies

Welcome to Davis Family Medicine! From pediatrics to geriatrics, we value you and help you to live the healthiest life possible. Here's some important information about our office . . .

First appointment: Please bring your insurance card, photo ID, new patient forms, names and phone numbers of any former physicians (for prior records) and your co-payment.

Subsequent appointments: Please bring your insurance card and co-payment. Per contractual agreement with our insurance carriers, we must collect your co-payment at the time of service. For your convenience, we accept VISA and Master Card, checks and cash.

Scheduling appointments: A great part of family practice is that we provide healthcare for the entire body. This makes family practice a bit tricky, too. Sometimes patients have more than one problem going on. Each problem or concern needs to be given full attention, so when you schedule an appointment, the receptionist will ask you for one problem to discuss at your appointment. You might need to return for another visit if you have an unrelated problem that needs to be addressed.

Appointments no-show or cancellations: If you are unable to keep your appointment, we ask that you give us a 24 hour notice so that we can try to re-fill your slot. If you give less than a 24 hour notice, we will assess you a $50 fee in order to recover our staffing and office costs for the missed appointment.

Wellness exams: The Wellness Exam gives the provider a chance to update you on cancer prevention, heart disease prevention, osteoporosis prevention and vaccinations. The Wellness Exam is not for illness or other problems. If you bring up a health problem during your wellness exam, the provider will likely decide to treat the health problem and then reschedule your wellness exam. If both are done on the same day, you may be charged for both a wellness exam and a regular office visit.

Lab and x-rays: It is our firm professional belief that to provide you with the best possible health care, we must meet with you face-to-face to review lab results, both normal and abnormal. That means that an appointment must be scheduled to review lab results. We cannot review a lab report over the phone.

Phone calls: Your phone call is very important to us. A nurse, scheduler or administrative staffer will be happy to answer your questions over the phone. If the nurse cannot answer your question to your satisfaction, then you must schedule an appointment with a provider.

Prescription refills: For chronic illness, we provide enough refills to get you through to your next maintenance visit. If you have run out of your refills, it means it is time to schedule an appointment!

Returned checks: If a check you have written to us is returned by our bank for insufficient funds, we will assess you a $30 fee for the administrative cost as well as bank fees and, in the future, we will only be able to take cash or credit card from you.

Vaccine information: As of July 1, 2010 we are required to enter all vaccinations administered in our office into the Idaho Immunization Reminder System (IRIS) database. If you would like to opt-out of the IRIS system, please contact IRIS at 208.334.5931 or www.immunizeidaho.com for removal.

Davis Family Medicine reserves the right to update and revise these polices and guidelines at any time. This brochure does not include every policy at Davis Family Medicine. It is simply a guide to understand how we operate.

I have read and understand the above polices of Davis Family Medicine.

Financial Agreement with Davis Family Medicine

Insurance Plans: You will be responsible for any balance your insurance plan indicates as due on their explanation of benefits form. We will adjust the charges to coincide with your plan's UCR (Usual, Customary and Reasonable) charges. All patients will be responsible for their co-insurance and deductible. If we do not "participate" with your plan, we will send a courtesy bill to that carrier on your behalf. However, should they not pay your claim within 45 days, you will be responsible for the full amount due. Should you receive payment from your insurance carrier, please forward it to the physician's office.

Self-pay Patients: Payment is expected at time of service.

Divorced/Separated parents of minor patients: The parent who consents to the treatment of a minor child is responsible for payment of services rendered. Davis Family Medicine will not be involved with separation or divorce disputes.

You are responsible for the timely payment of your account. Should it become necessary for us to use an outside agency to collect payment, you will be additionally responsible for charges we incur as a result.

I have read and understand the financial policy and the clinic policies of Davis Family Medicine.
